

Product Use and Care

#2145 Woven Round Tray

This exclusive rattan tray adds distinction to family meals and special occasions. Use to carry hot Stoneware or as a serving tray, line with a napkin for serving bread and rolls. 15 1/2-inch diameter.

Carefully read all Use and Care information prior to first use.

Use and Care

1. Place Stoneware on tray. Note: May use hot Large Rack on rattan. To prevent contact with hands, position rack handles away from rattan handles.
 2. Carry to desired serving location using tray handles. Recommend placing napkin or cloth between tray and wood surface to prevent damage.
- When necessary, gently wipe with a soft, damp, cool cloth; allow to air dry before storing.
 - Each tray is hand woven from rattan; natural variations and odor may occur.

Safeguards

- Do not place rattan tray in oven or microwave, near open flame or on hot stovetop.
- Condensation may occur under tray when used with hot Stoneware.

Guarantee

- One-year guarantee for noncommercial use covers product replacement. Refer to sales receipt for details.
