

*The Twelve Pampered Days
of Christmas*

*Christmas is too special
To celebrate just one day.
So we have a fun little game
Just for you to play.*

*For each of the next twelve days
You'll open a little gift.
We hope they'll make you smile
And give you a little lift.*

*This is gift number one
As we're sure you've guessed.
With each one you open
We hope that you'll feel blessed.*

Merry Christmas!

*The Twelve Pampered Days
of Christmas*

*Our Christmas celebration
Now comes to a close.
A new year stands before us
Striking a cheerful pose.*

*We pray the year ahead,
Every single day,
Will bring you sweet surprises—
A happiness buffet.*

Happy New Year!
