

**MAY I RECOMMEND...  
THE AMAZING  
DEEP COVERED BAKER  
EVERY KITCHEN NEEDS THIS STONE**

If you have not had the chance to see this baker in action—you're missing a great addition to your kitchen.

This stoneware piece can go into the oven and microwave.

How about a whole 5 pound chicken roasted up in 30 minutes in the microwave?

Chicken Fajitas done in 18 minutes??

Dessert anyone?? Chocolate-Oreo dump cake in 12 minutes in the baker!!

Need a 3 pound meatloaf done in less than 20 minutes?

Put it in the baker and pop it in the microwave! Amazing!!!!

Now Available in White and Cranberry see Page 40 in the Catalog.

2 nights out to dinner at a casual restaurant for a family of 4 will pay for the cost of the baker.

You'll have the baker for life. Order this baker and try it out...

As a bonus, I will include all recipes mentioned with every Covered Baker purchased.
