

Dear Jane Doe,

Congratulations on your upcoming wedding! I know you're very excited! **While getting married and planning a wedding can be stressful, picking out a ton of stuff you'd love to have in your new kitchen is very easy.** The Pampered Chef offers quality kitchen products supported by personal service and information, and we'd love to help you fill your new kitchen with items that are sure to become your favorites. We do this three different ways:

### ☒ **A PAMPERED CHEF WEDDING REGISTRY**

Our new online registry is very easy to use. I will happily set it up for you, or if you prefer, walk you through it step by step. Benefits include:

- **Simple links** to set up your registry, check on purchases and make changes or updates.
- **Perfect gift ideas** for family and friends to choose from, even those separated by distance.
- **Earn free rewards** with each gift that is purchased! That means up to \$200 in free products, plus half-price and discounted items!
- **Redeem your rewards anytime** for up to three months after the wedding. It's like getting extra presents that you choose for yourself!
- **Unlimited Registry Cards** to include in your shower invitations.

### ☒ **A PAMPERED CHEF WEDDING SHOWER**

A Wedding Shower is a fun and practical way to gather friends and family. With a focus on cooking and kitchen tools, everyone has a chance to help you stock your brand new kitchen!

- **Help for your host** in planning the menu and activities
- **A "Wish List"** including all of the Pampered Chef tools you'd love to have.
- **Opportunity for guests** to purchase products and gift certificates for you, and themselves.
- **Free, half-price and discounted items** for you and the host to share, based on the amount purchased at the shower.
- **A "Keepsake Apron"** is provided for all of your guests to sign, as a special bonus from me.

### ☒ **A PAMPERED CHEF PICTURE PARTY**

Once the wedding and honeymoon are over, invite everyone over to look at all of those great pictures and show off your new kitchen!

- **I'll do the cooking!**
- **You get the generous host benefits** from the cooking show (including free, half-price and discounted items, based on guest orders).
