This is the fun part! Everything in this kit is designed to help you achieve success. Use the content checklist to make sure you've received everything.

## ☐ 2. READ the *Succeed with Us!* Workbook

It covers everything you need to get started quickly and easily. Also, explore the Getting Started Resource Center found on Consultant's Corner at [pamperedchef.com](http://pamperedchef.com).

## ☐ 3. IDENTIFY Your Dreams and Set Your Goals

Whether your goal is to earn extra cash or a dream vacation, turn to page 4 in the *Succeed With Us!* Workbook for steps to setting your goals and a plan for success that's as easy as 3-2-1.

## ☐ 4. BOOK Your First Shows Including Your Grand Opening

On page 8 of the *Succeed With Us!* Workbook, you'll learn how to book Cooking Shows. Plus, hosting your own Grand Opening Show makes filling your calendar easy.

## ☐ 5. SHARE the Business with a Friend

Who would you love to start the business with you? Share your excitement about The Pampered Chef® and give them an opportunity brochure. Learn more from the *Sharing the Opportunity* course available at the Online Training Center on Consultant's Corner.

## ☐ 6. USE Your Products

The more you use the products, the more tips and personal stories you'll have to share at your Cooking Shows. Learn to sell products effectively by visiting the Products section of the Online Training Center.

## ☐ 7. PREPARE for Your Cooking Shows

The *Getting Started* Training DVD and *Your Cooking Show* online course will give you the confidence to present successful Cooking Shows. When you have fun at your Shows, your hosts and guests will too!
