

## Guest Address Labels

Thank you for hosting a Pampered Chef® Cooking Show. The Guest Address Labels on the next page will make it easy to create your guest list and keep track of those who plan to attend.

Here are some tips for great attendance:

- ☐ Over invite! Not everyone will be able to make it, so invite at least 40 guests.
- ☐ Mix the crowd. Use the idea list in *Your Cooking Show Planning Guide*.
- ☐ Call everyone with a personal invitation and let them know they can bring a friend.

As a service to you, I'll send out the invitations to your Show. To use the Guest Address Labels:

- ☐ Save this document to your computer.
- ☐ Type in your guest information; be sure to include a phone number and/or e-mail address.
- ☐ Save the document again. Print a copy for yourself to keep track of RSVPs.
- ☐ E-mail a copy to me and I'll send the invitations for you.

Note: The phone number or e-mail address will not appear on the printed labels.
