Snowman Mini Cakes

1. Preheat oven to 350°F (180°C). Prepare yellow or white cake mix for 8-9 inch (20-23 cm) single layer cake according to package directions. Grease and flour six **Prep Bowls**; fill halfway full with batter. Bake 20-25 minutes or until **Cake Tester** inserted in centre comes out clean. Remove from oven; cool cakes in bowls 5 minutes. Carefully invert onto **Stackable Cooling Rack**; cool completely.
2. Frost each cake with white frosting using **Small Spreader**. Coat cakes completely with sweetened flaked coconut. Decorate as desired. Makes six mini cakes (two snowmen).

Tip: If desired, 1 package (510 g) cake mix can be prepared instead of the single layer cake. Repeat Step 1 with remaining batter and proceed as recipe directs for a total of 12 mini cakes.
