

They're new. And I'm inviting you!

The Pampered Chef® welcomes spring with 27 new products. I'm so excited about them that I'm hosting my own Show, just so I can share them with you right away! And like every one of my Shows, you'll also learn a delicious recipe and easy tips for saving time and money in the kitchen.

Plus, you can choose **TWO of our incredible rubs FREE with any \$60 purchase** through our March Guest Special. With 12 to choose from, you'll find instant favorites!
