

# *Cook Up a Lifetime of Memories*

## *With The Pampered Chef*

Beginning March 1st, The Pampered Chef will offer two special ways to bring our exclusive, high-quality kitchen tools into the homes of brides and grooms; The Wedding Registry and The Pampered Chef Wedding Shower. Read on to find out more about these two opportunities.

### *The Wedding Registry is Where it all Begins!*

Our new registry is a fresh, contemporary and user friendly. There are two ways couples can find products on the registry, browse the online catalog or view products by category. Simple links make it easy to set up their registry, check on purchases and make changes if needed. A keyword/search tool allows the bride and groom to quickly find specific items they're interested in.

Best of all, our new Wedding Registry provides very special "Registry Rewards" to the happy couple. Up to \$200 in free products based on the total gift purchases made through the registry. The couple also earns free, half-price and discounted products. They also receive a 10% discount for one full year. The couple can redeem their registry rewards anytime up to three months after the wedding, it's like getting extra presents that they choose themselves!

To add a special touch, the couple is sent a Wedding Registry Welcome Packet from The Pampered Chef. It includes a letter with their registry information, a catalog and 30 wedding registry cards to give to their friends and family. From my website, the couple can e-mail friends and family to announce that they have registered with The Pampered Chef.

### *Say "I Do" to a Pampered Chef Wedding Shower!*

At the shower, guests can purchase kitchen tools from the couple's wish list, or they can give a gift certificate. If the couple has registered with us, I can bring their registry list for guests to purchase from. Guests are also welcome to purchase products for themselves. A wedding shower can be a couples shower, something special just for the bride, or whatever you want it to be.

As the host of a Pampered Chef Wedding Shower, you may keep the host benefits, list the bride as a co-host and split the benefits with her, or give all the host benefits to the bride as an extra gift. Host benefits include, free products, half-price products, discounted products, free shipping, monthly host specials, income opportunity, booking benefits and a 10% past host discount.
