

Thank you for hosting a Pampered Chef® Cooking Show. One or more of the guests at your Show purchased either the Medium Sheet Pan (Item #1721) or the Large Sheet Pan (Item #1722). We wanted to make you aware that due to a manufacturing error, some of the sheet pans may prematurely or unevenly discolor. Please be assured that this discoloration does not affect the performance or safety of the pans. However, the pans are not reflective of the high quality products you expect from The Pampered Chef®. As a result, we are asking for your assistance to contact those guests who purchased a metal sheet pan at your Show.

Please share the following information with the guests who purchased metal sheet pans at your Show:
