

The choice is yours!

You decide how many Pampered Chef® dollars you want to earn and how you want to spend them!

"I was surprised that the rewards program was so easy to understand and even easier to achieve. And I love that I have choices! Not long after I started my business, I earned 350 Pampered Chef® dollars. I used my rewards to purchase additional products and recruiting supplies. I'm excited that I've already recruited a new Consultant. Another benefit of the rewards program is that when my 90 days are over, I will have a strong business!"

—Sandra Mattingly, a new Consultant from Ohio.
