

HELP *Whip* CANCER®

WITH
The Pampered Chef®

May is *Help Whip Cancer* month at The Pampered Chef.

Every May since 2000, Independent Consultants have sold special "Pink" items with one dollar of each item going directly to the American Cancer Society. In the first 9 years, The Pampered Chef has donated \$6.7 million to help fund Breast Cancer Education and Early Detection programs.

In addition, Independent Consultants have raised hundreds of thousands of dollars for local, regional and national agencies which provide care, service and support to persons and families affected by cancer.

I would like to work with your agency to put additional money in your accounts for programs and services.

Would it be possible to set up a time where we could talk? I would explain the program and answer any questions.

You can reach me at 760/799-2499, at davebarton27@me.com or from my website, below.
