- If you are not completely satisfied with a nonconsumable product within one year from the date of purchase, contact our Solution Center. Upon return of product with original sales receipt (at your expense), we will replace, refund or exchange the item for any other item available for sale at the time of the original purchase, provided it has not been discontinued. Any price difference for an exchange will be adjusted. Refunds will not exceed payment made at the time of purchase.

Misuse or use contrary to the Use and Care instructions will void these guarantees.

RETURN INFORMATION

All returns and adjustment requests must have an approved reference number. Please contact us for an approved reference number in one of the following ways:

solution_center@pamperedchef.com

1-888-OUR-CHEF (687-2433)

Your approved reference number must be printed on the space provided on this form on refunds and exchange requests. Please print this number on the outside of the carton being returned. If there are any changes to the adjustment as originally requested (address, product, etc.), please notify the Solution Center immediately to update your request. It is important to notify us of any changes to ensure accurate shipping.

Refunds or exchange requests must include the original sales receipt in the package. Clearly mark your approved reference number on the outside of the package, and securely box the item(s) being returned. Make sure that the original sales receipt is in the box.

For safety reasons, all returned sharp items, such as knives, must be securely packaged in the original case or protective sleeve. If this protection is not available, sufficiently package the items so that sharp points or edges do not cut through the outer package during shipping.
