May 1-31, 2007

Working Together to
Make a Difference

One in eight women will develop breast cancer this year. But with localized detection, and regular screenings and mammograms, the five- year survival rate has improved to 98 percent. *

The Pampered Chef® is committed to raising funds for breast cancer education and early detection programs through our Help Whip Cancer® campaign. Since 1999 our Consultants and customers have enthusiastically raised more than \$5 million for this very worthy cause. In celebration of women everywhere, we dedicate the month of May to raising funds and awareness in the fight against breast cancer. We will once again donate \$1 from the sale of each Help Whip Cancer® product to the American Cancer Society's breast cancer education and early detection programs.

Join my Help Whip Cancer Team!!!!

Join my team and you can make a difference. This is an easy way to help support the American Cancer Society's breast cancer education and early detection programs. Join my team by becoming a team captain and by committing to sell at least 10 Help Whip Cancer (HWC) products. Simply collect orders from friends, family, co-workers, survivors, and anyone that wants to help a good cause. Collect the orders using a special Help Whip Cancer order form, collect money, and deliver the products. That's it!!!

As a thank you, every team captain get a Spring 2007 Season's Best Cookbook. The team captain that sells the most products will get the Help Whip Cancer hostess gift for free (the Simple Additions Pink Small Bowls with Small Bowl Caddy OR the Simple Additions Large Rectangular Platter with Handles).

The Pampered Chef® will contribute \$1 from the sale of each of our special Help Whip Cancer products to the American Cancer Society's breast cancer education and early detection programs to raise funds and awareness in the fight against cancer.
