

Pampered Chef® Fundraiser Benefit for Emily Donovan

We are doing fundraiser a for **Emily Donovan**, a local Montrose 3 year old beauty who has been battling Brain Cancer for two years. Emily is undergoing chemo and needs to go to St. Jude's in TN for further treatment. We are trying to help offset the costs for the family with medical and travel. Lisa is going to donate most of her commission also, in addition to the % that Pampered Chef donates....not only that....**Cabot Oil** has generously said they will MATCH all proceeds of this fundraiser!!

We need to collect orders and money by Friday August 27th, 2010.

If you see us, ask us for a catalog: Lori Zona, Michelle Birchard, Amy Curley, Cathy Roberts or myself and we'll hook you up....

Please feel free to pass this information along to friends and family.
