

# Does the Apron Fit?

## Catalog

You like the idea of buying products for personal use at a consultant discount. Sell to neighbors, friends and family thru catalog orders.

## Short Term

You sell for a short period of time to earn a specific amount of income. Stop when you reach your goal.

## Hobby

Loves the convenience. May work a few shows some months and skip other months completely.

## Part-Time

You enjoy doing one show a week to pay for bills, college tuition, family vacation or car payment. You might take advantage of the opportunity to earn free products.

## Career

You view your business as a career doing two or more shows a week and advance thru Directorship. You earn new products free and work your goals into a full-time income.

If you would like to try on one of these aprons...I will gladly assist you.
