

An illustration of a hand holding a gift box. The hand is rendered in shades of orange and red with black outlines. The gift box is yellow with orange and red sides and a black outline. A light blue speech bubble with a black outline is positioned at the bottom left of the hand. The entire illustration is set against a light green, irregularly shaped background. Three green starburst shapes are scattered around the green background: one at the top left, one in the middle, and one at the bottom right.
