

## ***Chocolate Peanut Butter Cup Trifle***

### Ingredients:

- 1 box brownie mix (plus ingredients to make them)
- 2 small boxes chocolate fudge instant pudding mix
- 1 cup peanut butter
- 3-4 cups milk
- 16 oz. Cool Whip, thawed
- At least 8 peanut butter cups (or a bunch of the mini ones)

1. Make brownies according to box instructions and cool (or make them in the **Large Bar Pan** to save even more time!).
2. Melt peanut butter in **Small Micro Cooker** in microwave. Add 3 cups milk and pudding mix and whisk using **Stainless Whisk** until blended. Mixture will be thick. If too thick, slowly add more milk until it reaches the desired consistency.
3. In **Trifle Bowl**, layer 1/2 of the brownies, 1/2 of the pudding mixture, and 1/2 of the Cool Whip. Repeat Layers.
4. Quarter peanut butter cups and place on top layer for garnish.
