Note: Shows must be held, and individual orders placed, March 1–31 and submitted by midnight CT on April 4, 2009. All commissionable sales count toward this promotion. To receive triple points, commissionable sales must be submitted on a triple points day randomly selected by the Home Office. Triple points dates fall March 8 – April 4. Starting March 17, each triple points day will be announced in *PC Newswire* the week after it has passed (e.g. the March 17 *PC Newswire* will reveal any triple points days for the week March 8–14). Triple points will be reflected as bonus sales points on My Incentives Calculator and awarded within 48 hours after the announcement of each triple points day. Triple points achievers will not be notified separately. Incentive trip points are not redeemable for cash or other substitutions, and are not transferable.
