

Pampered Chef® Fundraiser

Benefit for Emily Donovan

Emily Donovan, a beautiful 3-year-old girl from Montrose, has been battling Brain Cancer for two years. She is undergoing chemotherapy and will be traveling to St. Jude's in Tennessee for further treatment. We want to raise funds to help with uncovered Medical and Travel Expenses for Emily and her family.

Not only is Lisa McVaugh, Ind. Consultant, going to donate most of her commission, in addition to the 10-15% that Pampered Chef donates based on sales, but **Cabot Oil** has generously said they will **MATCH** all proceeds of this fundraiser!!

If you book a Show (Cooking or catalog) from this fundraiser, the Pampered Chef will donate \$3.00...Lisa will match that \$3.00...and then **Cabot Oil** will match proceeds so they will give \$6.00....**So that's \$12.00 to the Donovan Family for having a show.** This is a DOUBLE WIN situation. Please help us help the Donovan's. Donations, as well as orders for the fundraiser, are greatly appreciated.

We need to collect orders and money by Friday August 27th, 2010.
