

# How the Wedding Registry Works

Setting up the Registry is simple and secure.

1. You enter the Wedding Registry through my personal website [www.pamperedchef.biz/reneegraham](http://www.pamperedchef.biz/reneegraham)
2. You can look at different areas of the Registry Guide, including:
  - Introduction to The Pampered Chef®
  - Highlights of Registry Rewards
  - Tips for a well-stocked kitchen
3. You create a registry by entering some basic information.
4. Finally, you choose the gifts you would like to receive. The online catalog makes shopping easy and fun!

## IMPORTANT DETAILS

- Registry Rewards are based on gift purchases made on the Wedding Registry until registry redemption occurs or three months after the wedding date, whichever occurs first.
- \$200 is the maximum Free Product Value that is awarded through Registry Rewards.
- The couple must redeem their Registry Rewards by the last day of the third month after the wedding date. The 10% discount will be good for one year from the date the Registry Rewards are redeemed. Example: For a wedding on March 12, 2006, the Registry Rewards must be redeemed by June 30, 2006. If the Registry Rewards are used on June 30, the 10% discount will be good through June 30, 2007.
- The couple is eligible to purchase the Monthly Host Special for the month they redeem their Registry Rewards. (Contact your Pampered Chef Consultant for details!!)
- The couple must use the Registry Rewards in a single shopping session (excluding the one-year 10% discount). Any benefits not used at that time will be forfeited.
- If a couple cancels the registry before using their Registry Rewards, they will be forfeited.
