The Pampered Chef® guarantees that customers will be completely satisfied with its products.

Consumable Products

Our guarantee on consumable products is limited to spoilage, damage in shipping or error on our part.

Nonconsumable Products

- All nonconsumable products have a minimum one-year guarantee unless noted otherwise. Misuse or use contrary to the Use and Care instructions will void this guarantee.
- If you need to return a product, please contact the Solution Center within 30 days from the ship date of the Show. Upon timely notification and original sales receipt, we will make prepaid arrangements for the item to be returned for replacement, refund or exchange.

- If you need to return a product after 30 days but within one year from the ship date of the Show, contact our Solution Center. Upon return of product with original sales receipt (at your expense), we will replace, refund or exchange the item for any other item available for sale at the time of the original purchase, provided it has not been discontinued.
- Any price difference for an exchange will be adjusted. Refunds will not exceed payment made at the time of purchase.
- Products with a **Ⓛ** symbol have a Limited Guarantee.
- The Limited Guarantee covers only satisfaction with the product, manufacturing defects or damage during shipping, that is reported within 30 days from the ship date of the Show. Upon timely notification, the item can be returned for replacement, refund or exchange. Returned items must be unused, in original packaging, and with the original sales receipt. Incidental or consequential damages are not recoverable.

They do not cover commercial use, abuse, misuse, ordinary wear and tear, or an act of God. Misuse or use contrary to the Use and Care instructions will void these guarantees. Incidental or consequential damages are not recoverable under these warranties. If actual product replacement cannot be made due to unavailability, Company may, in its discretion, offer comparable product replacement or credit toward future product purchases.

RETURN INFORMATION

All replacement, refunds or exchange requests must include the original sales receipt, in the package and require an approved reference number. Contact the Solution Center to submit your request for an approved reference number, in one of the following ways:

www.pamperedchef.com *

solution_center@pamperedchef.com

(888) OUR-CHEF (687-2433)

If there are any changes to the originally requested adjustment (address, number of products, etc.), please notify the Solution Center immediately to update your request. This will help ensure accurate shipping.

Print the approved reference number in the space provided on the back of the original sales receipt and include it within the return package.

Clearly mark your approved reference number on the outside of the package, and securely box the item(s) being returned. For safety reasons, all returned sharp items, such as knives, must be securely packaged in the original case or protective sleeve. If this protection is not available, sufficiently package the items so that sharp points or edges do not cut through the outer package during shipping.

*To request an approved reference number online, go to www.pamperedchef.com > Contact Us > Product Adjustments.
