

# ATTENTION ALL MEN!

Are you looking for the perfect gift for that "Special Someone?" Pamper her this holiday season without having to brave the long lines of department stores. Go to [www.pamperedchef.biz/xxxxxxx](http://www.pamperedchef.biz/xxxxxxx) and click on "Order Products." Or you can e-mail me your order at xxxxxxxxxxxx. Order before December 8th to ensure Christmas time delivery.

Don't know what to get her? Here are some suggestions...

*Gift Certificates* - Starting at \$20.

*Gift Packages* - Click on "Gifts" on the web site for package ideas.

*Wish List* - If your honey wanted a particular product that I knew about I have included it on the wish list on the back. If not, have her fill out the wish list. Then you will know exactly what she "needs."

*Simple Additions* - These versatile entertaining pieces are the "fool-proof" gift. She can use them to impress guests, serve family dinners, decorate the home, or use as candle holders.

*Santa Service* - For an additional \$5.00 I will have the products shipped to me, wrapped, and secretly delivered to you. Service only available by e-mailing your order.

Don't forget about you! Check out our brand new Forged Steel Knife Collection and our grilling collection (look under entertaining.)

Don't pay full-price. Collect \$150 or more in orders from your friends and co-workers you will get your products FREE, half-off, and discounted! You can also buy the host special of the month and your friends can order the guest specials. Call me to see what they are!

Call me if you have any questions or want to place an order.
