Your Guide to Product Training Resources

Use these resources to learn more about all of our products:

Show & Sell CD — Learn words to say at Cooking Shows, cross-selling ideas and more. CD is included in your fall paperwork package or in new Consultant supply booster.

Your Season of Success DVD — New product and recipe training. See p. 17 for details.

Product Information Guide — Features, benefits, demonstration tips and cross-selling ideas conveniently located on Consultant's Corner. Click on Product Information Guide under Frequently Updated Links box. Information for new products available mid-August.

Products and Recipes chapter of Recipe for Success — Selling tips for cookware, Stoneware, Simple Additions® and our new Forged Cutlery, as well as the Product Quick Reference Guide (sizes, capacities, guarantees).

Use & Care/Recipe Cards — Learn product care and tips. Packaged with each product, these cards are also available on Consultant's Corner under Products & Recipes.

Selling Product Collections CD — Provides tips and suggestions on promoting Simple Additions®, Cookware and Stoneware. Order on the Training Resources form attached to the paperwork/supply or via PamperedPartner®.
