## registryrewards *details*

**Here's how it works:** based on the total purchases made from your online registry, you'll accumulate different levels of rewards.

**Example:** if your friends and family purchase \$650 worth of products off your registry, you would receive \$100 in free product, 2 items at 50% off and a 25% discount on any remaining purchases.

Your rewards begin accumulating as soon as you set up your registry, and stop accumulating once your registry reaches \$1000 in gift sales, or at the end of the 3<sup>rd</sup> month following your wedding, whichever occurs sooner. Registry Rewards can be redeemed any time through the end of the third month following your wedding, but they must all be redeemed on **one** order. (See example below.)

**Example:** Your wedding date is June 10, 2007. If you create a registry now, you would begin earning rewards immediately. Rewards would stop accumulating on the last day of September 2007 (3 months after your wedding) or once your registry reaches \$1000 in gift sales, whichever comes first. You would need to **collect your rewards no later than September 30, 2007**. Your 10% discount is valid for one year after you collect your Registry Rewards, so if you collected them on September 30, 2007, your **10% discount would be valid** on any orders made **through September 30, 2008**.

Based on the total dollar amount of items purchased from your registry, you can receive the following extras:

Total Sales*	Free Product Retail Value	Half Price Items	Discount Level
\$1,000	\$200	4	30%
\$900	\$175	3	30%
