The Pampered Chef® guarantees that customers will be completely satisfied with its products.

Consumable Products

Our guarantee on consumable products is limited to spoilage, damage in shipping or error on our part.

Nonconsumable Products

- All nonconsumable products have a minimum one-year guarantee.
- If you notify us that a product arrived damaged, or does not perform according to Use and Care instructions within 30 days from the ship date of the Kitchen Show®, contact our Customer Service department. Upon proof of purchase with original sales receipt, we will make prepaid arrangements for the item to be returned for replacement, refund or exchange.

- If you are not completely satisfied with a nonconsumable product within one year from the date of purchase, contact our Customer Service department. Upon proof of purchase with original sales receipt, we will replace, refund or exchange the item for any other item available for sale at the time of the original purchase, provided it has not been discontinued. Any price difference for an exchange will be adjusted. Refunds will not exceed payment made at the time of purchase.

Misuse or use contrary to the Use and Care instructions will void these guarantees.

RETURN INFORMATION

All adjustment requests must have an approved reference number. Please contact us for an approved reference number in one of the following ways:

www.pamperedchef.com

customer_service@pamperedchef.com 1-888-OUR-CHEF

Your approved reference number must be printed on the space provided on this form on refunds and exchange requests. Please print this number on the outside of the carton being returned. If there are any changes to the adjustment as originally requested (address, product, etc.), please notify Customer Service immediately to update your adjustment request. It is important to notify us of any changes to ensure accurate shipping.

Refunds or exchange requests must include the original sales receipt in the package. Clearly mark your approved reference number on the outside of the package, and securely box the item(s) being returned. Make sure that the original sales receipt is in the box.

For safety reasons, all returned sharp items, such as knives, must be securely packaged in the original case or protective sleeve. If this protection is not available, sufficiently package the items so that sharp points or edges do not cut through the outer package during shipping.
