

**Need a great idea for a fundraiser?  
Let me help!**

**Host a Pampered Chef Pampered Pets Benefit,  
and enjoy the rewards!**

**\$1000 show will earn you \$215 worth  
of free product to turn into a  
profitable raffle!**

**A demo of homemade dog  
biscuits will delight, and with  
your guests help, will create  
another source of income for you!**

Here's what'll happen:

Invite as many people as you possible can for an afternoon of fun and food. I'll provide ingredients for some yummy doggy biscuits as a donation, and demo the Pampered Chef's great products making them! Your guests will be encouraged to tie the treats up to sell as you wish while I make a decadent dessert for them to enjoy!

As the host, you'll earn free product based on total sales from the show. If your show reaches \$1000, that's \$215 worth of goodies! Create a basket of free Pampered Chef goodies, and let the raffle tickets sell themselves!

As my personal donation, I will provide all ingredients necessary for the demos and the dog biscuits. Being ever-grateful for my own adopted shelter pet, this is a cause I feel very passionately about. I hope you see the potential in this wonderful opportunity as I do, and look forward to hearing from you soon!
