

Belinda and Elizabeth

live in the Northwoods of Wisconsin where they are both Sparkies at Rhinelander Bible Church. A couple times they've visited Awana headquarters in Illinois, but this summer, they got to do something extra special.

Belinda, Elizabeth and their family went on vacation. They drove through New York where they toured a fort, watched a ship go through a lock and ate a lot of buffalo wings at the place where buffalo wings were invented.

Best of all was a boat ride by Niagara Falls. Even though the spray soaked them, they agreed it was a LOT of fun!

Then the next day, they drove west from the falls to a town called Fonthill, Ontario – which is the place where the Awana Clubs Canada headquarters is located. They stopped to say “Hello” and can now say they’ve been to Awana headquarters in two countries.

The people who worked at the Awana Clubs Canada headquarters were friendly, and they told Belinda and Elizabeth that ALL the vests for ALL the Sparkies in Canada are made right there in the headquarters building. In fact, they were making some vests while the girls were visiting.

Kathy and Jane (the two nice vest-making ladies) made each Sparkie a vest pocket – and then they did something funny – they sewed another pocket on top of the first pocket and put a uniform inspection ribbon on it.

What fun!

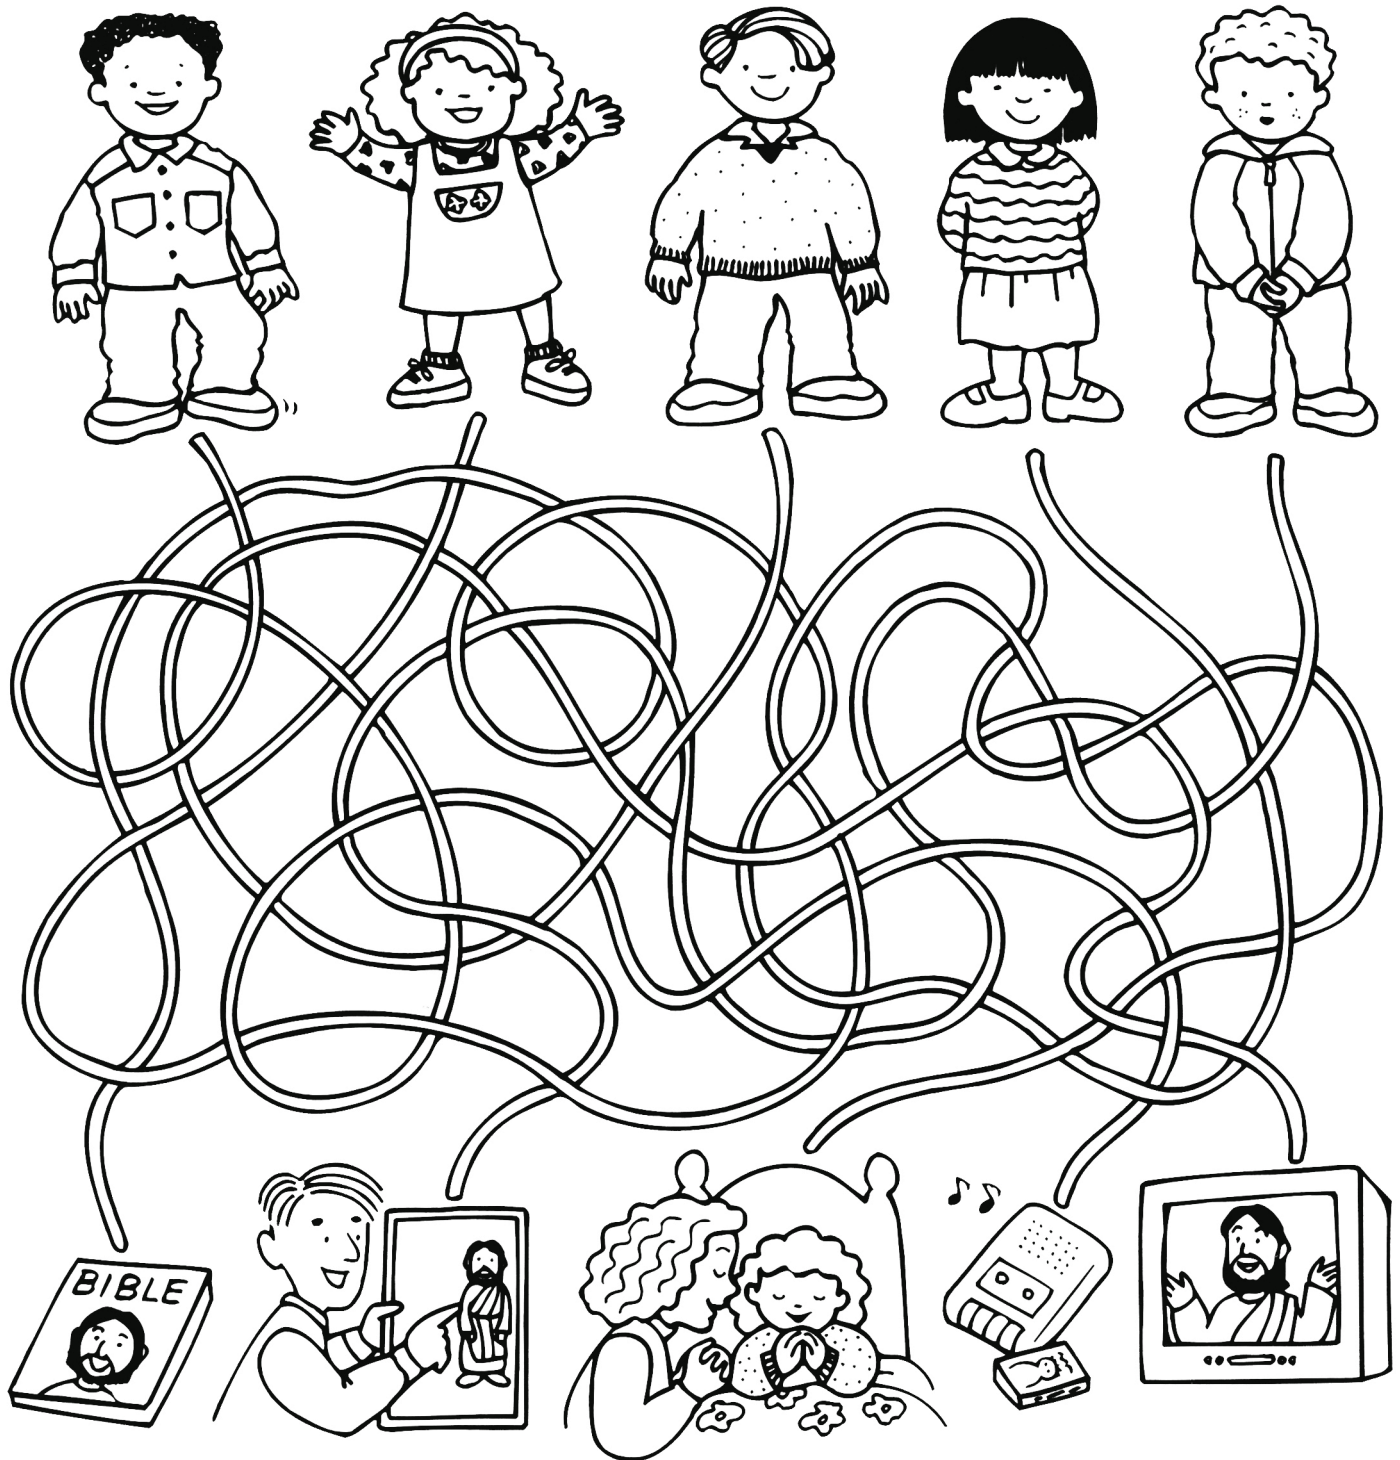

Jody (another lady who works there) then showed them where they screen (put the pictures) on T&T T-shirts. And the girls got to hold the Canadian flag too.

That’s kind of cool, that two girls from Wisconsin were able to visit Awana in Canada!

What’s even more cool is that Sparkies in Canada (and all over the world) are learning the good news of God’s Word just like the Sparkies in the U.S.
