

The Pampered Chef
Lyric Sheet – “The TPC Way”

Hey now, there's some things you should know
Any day now, you'll be ready to go
For some fun now, at your next cooking show
It's the way to have a good time

Hey now, you can make some new friends
Everyday now, the rewards never end
With your freedom and incentives that send
You to Washington and London

Chorus:
It's fun to do it the TPC way
It's fun to do it the TPC way
Flexibility and a job that's cool
With those quality kitchen tools

It's fun to do it the TPC way
It's fun to do it the TPC way
It's the way to go – It's the thing to do
You'll discover the chef in you.

Come on, call the people you know
You can count on everybody to go
You'll be great now, just get out there and grow
And you know you'll have a good time.

Come on, join a cluster and rise
Then move straight on, your career to new highs
With that newfound independence that buys
You the choice to live life your way

Chorus:
It's fun to do it the TPC way
It's fun to do it the TPC way
Flexibility and a job that's cool
With those quality kitchen tools

It's fun to do it the TPC way
It's fun to do it the TPC way
It's the way to go – It's the thing to do
You'll discover the chef in you.

You can, earn great jewelry and trips
With your new plan, you'll take cruises on ships
With the best tools and those great cooking tips
That makes family meals a good time.

You can, put together a team
On the move and, then just follow your dream
To a place where it will suddenly seem
You have all you ever wished for.

Chorus:

It's fun to do it the TPC way
It's fun to do it the TPC way
Flexibility and a job that's cool
With those quality kitchen tools

It's fun to do it the TPC way
It's fun to do it the TPC way
It's the way to go – It's the thing to do
You'll discover the chef in you.
